

I LOVE HOW I CAN SEE WHERE I'M GOING,
and I can use my personal elevator
EVEN DURING A POWER OUTAGE.

EZ6 Shown

Staying Home - RESIDENTIAL ELEVATOREZ - SHAFTLESS

Through-the-floor lift without hoistway

2 & 3 STOPS AVAILABLE

BATTERY POWERED

EZ4 Shown

Can be installed in hoistway and provided with automatic controls.

The SHC elevator virtually eliminates concerns regarding power outages. The unit can run multiple trips (10+), in BOTH directions, on its own batteries.
